## 1. Orientation Programme (02-12-16)

An Orientation class on Personality Development for Std XII Students was held by Prof. Ranjith Karunakaran Nair, Director, Rajdhani Business School. In an interactive session which included PowerPoint presentations, Prof. Nair enunciated the qualities of a leader and how one could get over our inhibitions. It was a very enlightening session for Std XII student who are on the threshold of leaving their school life behind.

## 2. National Conservation Day (14-12-16)

National Conservation Day was celebrated by Science Club by organising a talk on Conservation. In association with the centre of Innovation in Science and Social Action a rally was organised. Students

held banners carrying messages on Conservation marched in a rally a short distance from school.

## 3. Awareness Session (17-12-16)

IT Club organised a seminar relating to Cyber-crimes. The session was led by Mr. Rajesh, DYSP and Mr. Arun, Constable of the Cyber Cell. Students were made aware of the various types of cyber-crime and their consequences. They were advised against misusing mobile phones and to be vigilant against any kind of abuse in the cyber world. The students were also advised to report to their parents, teachers and counsellors if they encountered harassment and not carry it forward.

## 4. Evacuation Drill (17-12-16)

It is our earnest endeavour to equip our students not only with academic prowess, but also deal with situations they may unwittingly find themselves in an exercise in evacuation when disaster occurs. Students were made to participate and routes for exits were marked for escape in case of a calamity.
