

MISSION STATEMENT

SaraswathiVidyalaya endeavours towards holistic development, academic excellence & quality education, creating powers of analytical examination with creative ability and character development where academic brilliance is matched with social values. The mission of SaraswathiVidyalaya is to provide a quality education that encourages every student to realize his/ her full potential, to grow up to be aware, conscientious, self-respecting and to become an honourable member of our society. Our mission is to create an atmosphere, where the child when he enters our portals, is regarded not only for his academic excellence, but for his contribution in actively serving and improving the world in which he operates. We aim to provide an environment where each student is treated as an individual in his/ her own right, where the values honed are inculcated in the right way, to bring hopes and aspirations to fruition.
